

# KATA ANUDEEP

Hyderabad, India | Email: anudeepkata206@gmail.com | Phone: +91 9030761705

## PROFESSIONAL SUMMARY

---

MCA graduate with hands-on experience in Machine learning techniques and Python full-stack development. Developed AI-driven applications including an Cancer Death cases forecasting using supervised machine learning technique's and an Deep Performer Score-to-Audio Music. Strong foundation in Python, SQL, Django, and Scikit-learn. Passionate about building scalable backend and Frontend systems and AI-powered applications.

## TECHNICAL SKILLS

---

**Programming:** Python (Core & Advanced), SQL, JavaScript

**Web Technologies:** HTML/HTML5,CSS3, Tailwind CSS, Bootstrap, ReactJS, AngularJs,Typescript

**Frameworks & Databases:** Django, MySQL

**AI/ML:** NLP, Scikit-learn, Tokenization, Lemmatization

**Tools & Platform:** Git/GitHub , VS Code

**Currently Learning:** Generative AI, AWS Cloud, Data Structures & Algorithms

**Soft Skills:** Problem Solving, Adaptability, Team Collaboration

## PROJECTS & INTERNSHIP

---

### Cancer Death Forecasting Using Using Supervised Machine Learning (Internship)

- Cancer death forecasting uses supervised machine learning models to analyze historical patient and mortality data.
- Supervised learning models such as Linear Regression, Random Forest, Support Vector Machines, Gradient Boosting, and Neural Networks are typically trained on datasets containing features like patient demographics, cancer type, stage, treatment histories, lifestyle factors, and mortality records.

### DEEP PERFORMER SCORE-TO-AUDIO MUSIC

- Collected, cleaned, and prepared cancer patient and mortality datasets for analysis.
- Developed and trained supervised machine learning models to forecast cancer death rates.
- Evaluated model performance and optimized algorithms for improved accuracy..

## EDUCATION

---

- **Master of Computer Applications (MCA)** – Aurora's PG College (2023–2025) | 67.9%
- **B.Com Computer Applications** – HRD Degree& PG College (2020–2023) | 68.1%
- **Intermediate (MPC)** – Narayana Junior College (2018-2020) | 65.05%
- **SSC** – ST Marys High School (2017-2018) | 70%
